Friends,

A special "fire" sale for the next **12 days**, \$5.00 discount for everyone who sends in their registration for the WVFC Motorcycle Poker run, just write on your registration ***WVFC DISCOUNT. The Fair and Poker run is*** May 11th and will be upon us before you know it, , it's the 43nd annual Whitmore Volunteer Fire Dept. Music Festival and Motorcycle Poker run. We continue to appreciate the tremendous support of the North State area and local motorcycle clubs, participation in the past has been great, and made the event the success it has become. We hope this year will be no different. Great music, food, craft booths, silent auction, games and of course the Parade. We hope this year Motorcycle Clubs will be also be well represented in the Parade this year. WVFC will likely be the first responders on the scene if a motorcycle goes down in our area. The Department depends upon their fundraising to cover a wide variety of costs, and the county does not help with non-fire incidents. The Poker Run begins and ends at the event. We continue to reach out to every bike organization in the county and surrounding areas, since the Fern loop is enjoyed by many outside of our area.

The poker run route will again cover the loop and the beautiful area Whitmore is encompassed by, and everyone can enjoy the food, entertainment, and festivities. Please support this event, you will be giving back to a group that someday could save your life, and show our appreciation for traveling for decades through Whitmore.

I am hoping you will all join us.

Call or email, nealsternberg@gmail.com, 472-3965 if you need any additional information.

CLUBS/Club Members: PLEASE forward this email to your members

Thanks everyone,
Neal
